

Time Spent By SPAC/DAC on District UIP

Total = 250 minutes out of 720 total meeting minutes (35%)

Of which:

90 minutes of District Staff Presentations

60 minutes of small group review and discussion of School UIPs

70 minutes of Small Group Discussion of District Achievement Results

30 minutes of District-staff Facilitated Full Group Discussion of District Level Root Causes and Major Improvement Strategies

Meeting Date	Time Allotted	Subject
Sept. 16, 2014	15 minutes	"UIP Snapshot". SPAC/DAC "provided highlights on the Unified Improvement Plan" prior to the SPAC October work on student achievement and the UIP."
Oct. 21, 2014	75 minutes	30 minutes allotted to presentation of district TCAP achievement data. 45 minutes of "group work" at which each table "discussed their reaction to these results."
Nov. 18, 2014	60 minutes	35 minutes of presentation on new CMAS test results, and the transition from TCAP to CMAS. 25 minutes of "group work" at which each table reviewed the CMAS results and the priority challenges they suggest.
Jan. 20, 2015	30 minutes	"Facilitated discussion" of UIP root causes and major improvement strategies. As part of this discussion, there were two handouts that summarized the feedback from the "group work" at the previous two meetings.
Feb. 17, 2015	60 minutes	Review of school UIPs
Mar. 17, 2015	10 minutes	Update on the District UIP to be submitted to the Colorado Department of Education
